LETTER No. 3107
REFERENCE No. 643

Calgary 12th April, 1888

Sir,

In reference to yours of the 6th instant, No. 98395, Ref. I04058, in addition to what I have stated in mine ofthe I6th March No. 2969, Ref. 643, I may state that in a recent Order-in-Council Mr. Staunton being a leaseholder is not permitted to make homestead entry on another man's lease. In this case, however, he settled long before the said Order-in-Council came into force, and it might be considered harsh to enforce its provisions in his case, but I can see no reason whatever why he should be granted homestead entry until he has paid up his back rental. You will notice however that a letter was written from the Head Office to the Agent dated I3th January last, instructing him to let the question of entry lie over till the lease matter was settled.

Sir/

I beg to acknowledge the receipt of your letter of the 12th inst 3107 on 643 and to say that both the Commr and the Inspector of Agencies to whom the matter has been referred are of opinion that unless there is a legal objection to granting Mr Staunton a H entry, in consequence of the order in Council prohibiting entry by any lessee upon lands leased to another individual or Company, the fact of being in arrears for the rental of his own leasehold should not stand in the way. If however the Company considers it well to require him to pay all dues in connexion with the lease or to submit to cancellation but not to refuse him a privilege to which under the Dom Lands Act he may be entitled ~~and which right~~

Memorandum to the

Commissioner of Dominion Lands.

Last October the Agent at Calgary forwarded here the application of Mr. R. A. Wallace, of High River, to purchase the East half of Section 6, Township 19, Range 27 West of the 4th Meridian. The Agent states in his letter that the land has been reserved for reservoir purposes. This reserve was in connection with irrigation, and not stock watering. Mr. Wallace, in a letter to Mr. Sifton, dated the 28th January last, asks to be sold the whole of Section 6. Across this you endorse that the East half is reserved and cannot be dealt with until report is received from Mr. Burley, evidently under the impression that the land had been reserved for stock watering.

Mr. Wallace again writes to the effect that the reservation of this section has now been withdrawn, and that unless he can buy the East half the West half will be of no use to him.

The land is clear here, has been withdrawn from the irrigation reserve. Is Mr. Wallace to be sold the whole section at $1 an acre, see your instruction across 613803 to sell the half section at this rate.

Ref.594599.

Ottawa, 6th April, 1901.

Memorandum to the

Commissioner of Dominion Lands.

On the 9th November last you auth rized the sale to Mr. Klaas Peters, of Gretna, Manitoba, of the North half and the South East quarter of Section 20, Township 31, Range 27 West of the 4th Meridian, the price being the current one of $3 an acre.

In his Return of the 8th January last the Agent at Calgary reported the payment by Mr. Peters of $480 scrip on account.

The Agent, in a letter to Mr. Peters dated the 25th January states that doubtless the Department will permit him to relinquish the North half of the section, and to apply the $480 on the South East quarter, thus paying for the latter in full.

If you concede this to Mr. Peters, I consider that he should make a solemn declaration, in accordance with the form prescribed by "The Canada Evidence Act, 1893," to the effect that he has not disposed of the land he wishes to surrender to the Crown, namely, the North half of Section 20, Township 31, Range 27 West of the 4th Meridian. Also that he surrender the Agent's receipt for the $480, file the two documents with the Agent, who will forward them here. The Agent can then issue a new receipt to Mr. Peters, dating it back, for the $480 as full payment for the South East quarter of the section.

Mr. J. Lorne Turner, Director

Ottawa

Dear Sir,

The Department of Interior formerly made a grant of land to "La Corporation Episcopale Catholique Romaine de St. Albert", a body corporate, of which the following are the particulars: River Lots 43 & 44,-46-21-W4; Homestead No. 36810; Fiat No. 37663; Sale No. 11459, Dated 25 July, 1888.

It would seem that Rev. Father H. Beillevaire may have held this land previous to the grant mentioned. Father Beillevaire is now nearly 90 years old and is about to retire from active work. He is making application for a pension from the Provincial Government, and thinks that certain information that might be taken from the original documents in connection with the above-mentioned land would be of use to him. Among the items of information taken from such a document which he thinks would serve him are, the fact itself that he had taken up this land at one time, his age at the time of taking it up as shown in the papers, and any inferences that he was a naturalized Canadian, since his birthplace is in France.

Would you be so kind as to give me whatever information can be had from the records of the department in this matter.

Thanking you in advance for your attention in this connection, I remain

Yours truly,

I have your letter of the 15th instant, relative to your enquiry for certain information in connection with the application of Rev. Father Beillevaire in his application for letters patent set forth that at that time (16th December, 1886) he was thirty-eight years of age, and the then Agent of Dominion Lands at Edmonton in forwarding the departmental papers also enclosed the Certificate of Naturalization of the applicant.

I trust that this information will be satisfactory in connection with the application of Rev. Father Beillevaire for a pension from the Provincial Government.

There is nothing in the Affidavit to show that the assignor is over the full age of 21 years, and I return the assignment herewith, in order that this omission may be supplied. Dear Sir/

I am in receipt of your letter of the 30th ult. re assignment of land located under half breed scrip, and assignment of same from ~~D. F. St. Luc~~ to David J. Grier. In reply I beg to say that Mr. Grier's full name is David Johnson Grier. I have also amended affidavit to show age.

I note that you say that an abstract of title to date and certificates mentioned in the circular you enclose are to be furnished On reference to the circular in question I find that no abstract is required for land in the Territories. Section 1 of the circular, as you will see, refers only to land in Manitoba. Section 2 is the only one which refers to land in the Territories, and you will see that it expressly states that abstract is not required, but that, in lieu of it, the applicant for patent may furnish a certificate or certificates which would afford the department the same information as the abstract would do were the land in Manitoba. I understand from Haultain, McKenzie & McNeill, Barristers here, who have put through a number of these assignments, that no certificates of any kind have been required from them, they merely having furnished the date of the entry for the land. The fact that an entry has been made would surely show that there were no registrations affecting the land, as the entry could only be made on unoccupied government land. The date of the entry for this land was October 22nd. I enclose herewith $2 registration fee. If after this letter you still require certificates from the Registrar, I will obtain and send them. In the meantime will you kindly hold assighment, and not issue patent until everything is complete.

Yours truly

Memo to the Commissioner
of Dominion Lands.

The Agent at Edmonton reports the application of Mr. Richard G. Hardisty to be allowed to purchase the fractional South West quarter of Section 32, Township 51, Range 21 West of the 4th Meridian, containing an area of 52 acres, which land the Agent says is clear.

It is clear in the records here, but on the township plan there is marked across this land "good hay;" and as the land is only a short distance from Edmonton, I think it would be well have it inspected first in order to ascertain whether or not it is valuable for its hay. At any rate the Agent might be asked as to this [illegible] before a final decision as to selling the land is come to. Outside of the question of the hay, I see no objection to the sale to Mr. Hardisty being made at the current rate and upon the usual terms.

Replying to your letter of the 20th ultimo, file No. 38235, respecting the application of Mr. Richard G Hardisty to purchase the fractional SW¼ 32-51-21 W.4th M., containing 53 acres, I am directed to say that this land is clear in our records, but as it would appear to be valuable for its hay, it is thought well to have it inspected, in order to ascertain whether it is really valuable for hay purposes. Edmonton, Alta, Nov. 22nd, 1900.

Sir-,

Referring to your letter of the 15th. instant 595170, I beg to say that the Frac. S.W. ¼ 32- 51- 21- W.4.M is not valuable for its hay being completly covered with timber chiefly poplar with a small quantity of spruce and Birch.

It might be valuable as a place of residence during the summer months as it is one of the few points which have escaped fire.

If you still think it necessary to have it examined at the inconvenience of the Inspector the application now under consideration may suffer seriously delay.
There are no other inspections to be made in that locality.

Your obedient servnt.

Dear Sir:-

I have your favor of the 15th inst. asking for my reasons for wishing to purchase a part of the S.W. I/4-32-5I-2I-W.4th, and in reply beg to state that I merely wished to make the purchase for the purpose of spending a part of each summer there with my family.

The land, so far as I have seen it is not fit for cultivation as a great deal of it is very low. There is a nice little clump of trees, however, which faces an arm of Cooking Lake, which would make a very nice little place to build a Summer Cottage. It would be my intention in the near future if I can get a road to the place, to erect a small cottage for my family to reside in during the summer months. It is purely for the sake that I wish to make the purchase.

I trust that the Government will look favorably upon my application to purchase the same.

Yours very truly,

H. C. Taylor

Memorandum :

The Agent of Dominion Lands at Edmonton enclosed with his letter of the 23rd August last a communication from Mr. H.C. Taylor in which the latter states that he desires to purchase a portion of the S.W.¼ of Section 32, Township 51, Range 21, West Fourth Meridian, for the purpose of building thereon a summer residence.

Mr. Taylor represents in his letter that the land applied for is not suitable for cultivation as a great deal of it is very low but that it would be very suitable for a summer cottage; and urges, in consequence, that his application be favourably considered.

The Agent states in this connection that Cooking Lake (on which the parcel applied for borders) is a summer resort; and that the land is not good agricultural land and that he, therefore, recommends that Mr. Taylor's application be entertained.

The parcel applied for which is shown red on the sketch and contains 53 acres is vacant in the records of the Department.

The Agent of Dominion Lands at Edmonton reported in October,1900, that an application to purchase the parcel in question had been received from Mr.R.G.Hardisty ; and that he (the Agent) was advised that, as the land did not appear to be valuable for timber it might be sold at the regulation price of $3.00 per acre. As Mr. Hardisty does not appear to have availed himself of the privilege granted him it might be considered to have lapsed.

Respectfully submitted,

W. W. Cory, Esq.,
Deputy Minister of the Interior.

Memorandum:-

I beg to return the letter of the 30th ultimo, from Mr. H. C. Taylor, of Edmonton, stating that some years ago he was permitted to purchase the fractional S½ of Section 32, Township 51, Range 21, West 4th Meridian, lying West of Cooking Lake, and applying to purchase the fractional S.E.¼ of the same Section, lying East of the Lake, and containing 30.5 acres.

The parcel applied for is not at the disposal of the Department, as it was decided in September last to grant to Mr. Robert Donald, the homesteader of the fractional N½ of the Section, lying North of the lake, 26.80 acres thereof, to make up the deficiency in his patented homestead, and to allow him to purchase the balance- 3.70 Acres- at $5.00 per acre.

Mr. Donald was so advised at Deville, Alberta, on the 26th ultimo.

Attached is a sketch showing coloured pink the parcel sold to Mr. Taylor; in red border the patented homestead of Robert Donald, and coloured brown the parcel applied for by Mr. Taylor, which is to be granted to Mr. Donald.

The Agent at Lethbridge refers here an application from Hugh M. Dawson to homestead the portion of the NW¼ 10 III 23 W 4th lying North of the Little Bow River.

This township is in a block reserved by O in C of 5th February, 1891, for selection by the Manitoba & South western Colonization Railway Co., in which block they may select sections as well as odd numbered sections.

Is this O in C to prevent homesteading, except with consent of the Company?

This land was then held as a stock watering right by the Dominion Government at that time and I believe also at the time I purchased the coal mining rights under same. I am not to be entitled to purchase this forty acres more I surface right at the Government upset price of $10.00 per acre as it is impossible for me to work the underground right without owning the surface right which I applied for at Lethbridge on the 11th day of February ult hoping this will receive your prompt attention

Memorandum:

Referring to your memo respecting the application by Mr. William Cousens to purchase the East half and S.W.¼ of 6, 10, 7, West 4th M., I find on looking into the papers, that the Agent at Lethbridge was authorized on the 15th ultimo, to sell the land mentioned to Mr. Cousens at the current rate and usual terms. There is nothing in the papers to indicate that the land should be disposed of at a less price.

Do you wish to have the land examined and valued by the Inspector?

I beg to acknowledge the receipt of your favour of the 31st ultimo, addressed to the Minister, in reference to the purchase of the East ½ and S. W. ¼ of 6, 11, 7, West 4th M., and in reply would say that since your application to purchase these lands it has been decided to withdraw from sale all lands at the disposal of the Government and retain the same for homestead entry. However, as you were given permission in your app to purchase these lands, you may still carry out the purchase at the current rate and on the usual terms, provided, of course, you have not already purchased more than a ½ section, as our regulations prevent us from selling more than 320 acres to an individual.

Yours truly,

Commissioner Dominion Lands.

Dear Sir,

Re Wasy Poiulunk.

In regard to your letter to us of the 7th inst. respecting the S. W. ¼ 12 - 57 - 1, we may say that it has been very difficult for us to get hold of this man.

We put through a mortgage from him on his recommendation for homestead patent and his name was spelled "Wasyl Poiulunk". We do not see why it is necessary, now that his certificate of recommendation was issued in this name, to go to the trouble of securing an affidavit as to the correct spelling. We may say that we registered our mortgage against this man's land on affidavit of possession and we would be obliged if you would forward patent to the registrar.

Yours truly,

P.S. We enclose herewith certif. of recommendation.

The Assistant Secretary:-

Please write Messrs Osler, Hammond and Nanton, Winnipeg, referring them further to the question of the issue of patents conveying the mines and minerals under lands forming the land subsidy of the Calgary and Edmonton Railway Company.

Sir,-

Re N.W.¼.27-34-27-W.4th -

We beg to acknowledge receipt of your favor of the 29th Ult. Reference No.599933, in which you state that it is the intention of the Department to issue patent in the name of Thomas Evans for the mines and minerals under the above mentioned land and ask if there is any objection on the part of the Calgary and Edmonton Railway or the Calgary and Edmonton Land Company to such action being taken. On behalf of the Calgary and Edmonton Land Company, we beg to object to patent for the mines and minerals being issued to Thomas Evans, the surface of the land only having been sold to and paid for by him at the usual price of surface rights and subject to the express exception in the agreement of sale to him reserving the "mines, minerals, coal or valuable stone in or under the said land".

The Certificate of Title as issued for the surface rights and excepting the mineral rights, has been accepted by the purchaser Evans, who was well aware that he was not entitled to the mineral rights. Our assignment filed in the Department apparently did not contain the reservation of mines and minerals but as the patent issued to the pur-

chaser did make this reservation and as between the Land Company and Evans he was not entitled to the mines and minerals, there should not, we think, be any difficulty in having the Company's rights protected and a patent issued to the Land Company for the mines and minerals.

We shall be glad to hear from you as to what further material, if any, you will require to enable the patent for the mines and minerals to be issued to the Land Company.

The position in which the Company was placed as to the minerals in these lands by the view adopted by the Government in the first place, no doubt led to the form of transfer filed, but it is an error which can now be corrected and we should be glad if the Department would deal with the matter in this way and have the patent for the mines and minerals issued to the Calgary and Edmonton Land Company, Limited.

A. Norquay,
Agent of Dominion Lands,
Edmonton,

Dear Sir:

Re S.W. 19-38- 21-4 John W. Scott

Mr. Scott has called [illegible] with reference to his homestead. He has shown to us Mr. Nelson's letter of the 17th January last, in which Mr. Nelson points out certa[illegible] discrepancies between the statement made by Mr. Scott on the 6th September 1918, and the statement made by him on the 24th December 1918. We have got these statements before us but we have gone into this matter with Mr. and Mrs Scott and the discrepancies have arisen in the following manner.

In the spring of 1917 Mr. Scott moved his family out to the homestead, or rather on to land adjoining the homestead, which at present is owned by Mr. Scott. Mr. Scott is employed by the Edmonton Cemetery Company, [illegible] and by the terms of his employment to devote his time exclusively to this work. His wife and daughter are the only members of his family, who went out to the homestead in the spring 1917 and remained there over six months. Mr. Scott himself went out from Edmonton, remaining [illegible] intervals, sometimes short and sometimes of considerable length. He kept no record of the actual time he spent there. [illegible] that we understand he kept in Edmonton. This practice was followed in 1918. Mrs. Scott and daughter lived on the homestead for [illegible] six months in 1918, Mr. Scott [illegible] time to time as he was able.

In answering the questions asked by the Land Office Mr. Scott was not able to give a very [illegible] answers [illegible] impression that [illegible] state the time which he himself actually spent upon the homestead. At best he could only approximate this. By [illegible] the above facts we see that at last completed his residence duties during the years 1917 & 1918. His only residence was on the homestead, [illegible] only could to entertain the application, [illegible] opportunity followed. [illegible] Mr. and Mrs. Scott [illegible] open.

We may add that we know Mr. and Mrs. Scott [illegible] respectable [illegible] desire whatever to mislead [illegible] actual facts of the case. [illegible] done to disturb them in their possession of this land.

Finally advise us what steps are [illegible] Department.

Yours truly,

[illegible]

Virginity residence on the North West quarter of Section 19, Township 22, Range 21, West of the 4th meridian under agreement of Purchase. This application calls for the breaking of fifty acres and the cropping of thirty acres. Insufficient cultivation.

Homestead quarter section is all enclosed with a two and three wire fence. Buildings are on purchased land. Inspector's report from the following stock: 1921, 21 cattle and three horses. He also states that he believes the duties to be fully completed in this case. Articles of Agreement covering the purchase of the North West quarter of Section 19, Township 22, Range 21 west of the 4th meridian, the land where Mr. Scott performed his residence duties, hereunder marked.

Total received to date September 24, 1921 -$250.00. You will please note that one-third of the purchase price has not been paid under all payments due to date.

The agent states in his covering letter of the 6th instant, that he trusts you will see fit to accept the document as satisfactory proof of ownership, in order that patent for the South West quarter of Section 19, Township 22, Range 21, West of the 4th meridian may issue in the near future.

Statements of payments received all within agreement, April 7, 1916 -cash $25. May 25, 1917 -cash $50 December 3, 1917 -cash $200, November 26, 1918 -cash $150. total receipts to September 24, 1921 $250. The Agreement of Sale is for $400.

Memorandum.

Re S.W.¼ 19-53-21-W.4th M.
Homestead - John W. Scott.
Entry granted - 23rd January, 1917.

Mr. Scott made application for patent on the 23rd August, 1921, and Form 58-A (marked) shows the duties claimed to have been performed. Residence has been performed on land owned in the vicinity, and the question is whether the payments made in connection with the purchased land are sufficient to justify the Department in accepting residence on such land under the vicinity clause of the regulations.

A statement of the case is set out in Mr. Larkin's memo, hereunder.

You will note that the agreement is dated the 7th April, 1910, and that $250.00 was paid when such agreement was executed, leaving a balance due of $2150.00 on account of the purchase price, the interest thereon being at the rate of 8% per annum.

Mr. Scott has paid a total of $400.00 since the agreement was executed, which is about one-half the amount due as accrued interest.

The regulations require that at least one-third of the purchase price shall be paid, together with accrued interest, and that payments shall be in good standing when application for patent is made.

These conditions have not been fulfilled in the case under consideration, but the matter is submitted in view of the recommendation of the Agent contained in his letter dated the 6th instant, hereunder.

Respectfully submitted,

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
O T T A W A.

Do you not think in such cases if the applicant were to add to his application a solemn declaration that the water has dried up leaving all the land covered by his application dry land, that the Department would be justified in disposing of the land as the clause of the Act mentioned refers to any lake, river, stream &c., and not to the land at one time covered with the waters of such lake. Mr. Rotwell,

In clause 5 of the North West Irrigation Act provision is made that Crown grants shall be made, after the date of the passing of that Act, by the Crown, of lands or of any estate, in such terms as to vest in the grantee any exclusive or other property or interest in or in any exclusive right or privilege with respect to any lake, river, stream or other body of water, or in or with respect to the water contained or flowing therein, or the land forming the bed or shore thereof. There can be a matter of doubt as to the meaning of this clause where water exists, but there is a doubt, in my mind, where it is shown by the official plan of survey that a parcel of land is partly covered with water and where that water has receded and left the land dry to all intents and purposes, whether the clause will apply.

I have a case in question where a settler has applied his land scrip upon the SE¼ and the W½ of the SW¼ of 32-5-29 W. 4th M., part of which you will observe is covered with the waters of a surveyed lake. I have no doubt that at the present time no water exists upon any portion of this land but our plan shows otherwise and this is the only authority that we have to depend upon.

Unless such declaration can be filed, the patent can only be issued for the area as shown by the Township plan to be land, deducting that portion shown to be covered by water.

Coal for the A. P. L. at Red Deer Alta.

Sir,

I have to acknowledge the receipt of your letter of the 1st inst., and in reply to quote for your information the following Clause, No. 24, of the Dominion Lands Act, which is the only provision in the Dominion Lands Act or Regulations relating to Dominion Lands prior to survey:-

"Whenever the surface of any township has been finally confirmed and a plan of the township or part thereof has been duly filed in the Land Office, any person who has settled and made improvements before such confirmation may, if he is a British subject, or has declared his intention to become such, obtain an entry for the land so settled on, if such land is not required for public purposes, and if the land has not been reserved or withdrawn from entry, or is not otherwise disposed of under the provisions of this Act."

It would be quite impossible for the Department to protect your claim on the land referred to, in any other way. If you are anxious to retain the land it would seem necessary for you to remain in possession until you are able to acquire the entry. If you write to the Local Agent at Red Deer he will let you know immediately upon receipt of the township plan.

Now, what I wish is that you sell it to me as it has become a home and is dearer to me than to anyone else. I would prefer if you would give me a loan to pay for it. Now, Mr. Oliver, you will not take this trifling as it is important to me.

Sir,

Referring to your letter of the 4th [illegible] to the Superintendent of Immigration of the 31st July last, respecting the [illegible] of Section 11, Township 46, Range 7, West of the 4th Meridian, and to your letter of the 10th June last, in which you accepted homestead entry for this land in the name of Charles E. Lingman, as containing 100 acres, while there were only 60 acres of the quarter-section in question then available (Legal Subdivision 11 having been added to River Lot 9, and Legal Subdivision 12 to Lot 10), I am directed to point out to you that, if the entrant obtained eighty acres, he should only be required, under the amendments to the Dominion Lands Act passed during the Session of Parliament of 1908, to pay an entry fee of $10.00. Sir ,

In granting you a homestead entry on the 29th June last for part of the W ½ 16 46 21 W 4 M , my records showed that legal subdivision 12 had been added to Lot 9 Battle River settlement . A receipt therefore issued to you for the remainder of the quarter section , or 120 acres . I am now informed by my Department that in addition to legal subdivision 12 legal subdivision 11 has also been disposed of , having been added to Lot 10 Battle River settlement . There are , consequently , only 80 acres available for the purpose of your homestead and I must therefore ask you to be good enough to return to me for correct one your interim homestead receipt . I may further say that the Department is being requested to return to you $5 of the sum which you paid on ~~xxxxxx~~ obtaining entry as the fee required for an entry of 80 acres is only $5. From your letter of the 14th ultimo, reference 36073, addressed to Mr. A. C. Bowerman, you have apparently advised him that there is additional land belonging to these lots. A legal subdivision of 40 acres has been added to each of lots 9, 10 and 11 and this will make an additional area of 120 acres, as well as the 4 acres which will have to be covered by scrip or cash before the present applications can be dealt with. Gentlemen:-

Replying to your communication of the 1st instant requesting to be informed if there are any seed grain claims against Howard Bone and the N. W. and S. E. 1/4 of 34 - 32 - 2, West of the 5th, would appear to be clear of seed grain indebtedness, as is also the S. W. 1/4 of 14 - 30 - 2, West of the 5th, the entry of Mr. William V. Dafoe. The homesteader on the N. W. 1/4 of 14 - 30 - 2, West of the 5th, Mr. George Casebeer, was a purchaser on a bond issued to Mrs. Mary Bone for seed grain advanced in 1896 to the amount of $ .30, which indebtedness was discharged the same year. As far as the records of this Office show Mr. Casebeer does not appear in any other seed grain transaction. You might have this verified by Head Office.

I am directed to draw your attention to the fact that you have reported in your Return of the 25rd ultimo, the following entries, for which, in each case, you have charged an entry fee of $10.-

The fractional N.E.¼ of Section 26, Township 32, Range 29, West of the 4th Meridian, containing 61.85 acres and that part of the N.W.¼ of Section 36, Township 25, Range 4, West of the 5th Meridian, south and west of the River, containing 77 acres.

In this connection, I am to refer you to the amendments to the Dominion Lands Act passed during the Session of Parliament of the year 1898, clause 10 of which reads as follows;-

"Any person who is entitled to make a home-

Sir,

I am directed to say that since the Departmental letter of the 1st March last was addressed to you, in which you were advised that the necessary steps would be taken to have the N.W.¼ 20--9--20 W. 4th M. reserved by Order in Council for Police purposes, it has been ascertained that homestead entry for the land was granted to Mr. Frank McHale on the 19th August last. It is recorded that this matter was cancelled at the time you were communicated with, the error having arisen from the fact of the entry not having been posted up in the township register. As however the homestead entry cannot be cancelled without the consent of the homesteader, and I am therefore to request that you will instruct Superintendent Deane, who appears to have been in communication with the Agent of Dominion Lands, at Lethbridge, in regard to the land, not to occupy or utilize the quarter section in any way, until the matter is definitely settled. I may add that, in any case, the land would not have been at the disposition of the Mounted Police until the Order in Council had been gazetted for the fourth time in the Canada Gazette. Ottawa 14th November, 1901.

Sir,

Referring to your letter of November 11, addressed to Mr. Fletcher of Strathcona in reference to his application to homestead the S.W.¼ of [illegible] West 4th Meridian, I have to say, that, although some land surveys are being made in this Township this year it will probably be some months before the regular township plans of surveys will be printed and sent to the Agents.

This Township at one time formed a part of a timber reserve, but that reserve is now cancelled, and this land is open for entry. So far as this Department is concerned, the homestead will take effect if, and there is nothing to prevent your entering Mr. Fletcher's entry according to the plan at present in your possession.

Dear sir; I have been off my homestead the fore part of the summer and should be back on it the middle of November. I have six acres of crop but it is so badly frozen that it is of very little use. Now this leaves me in bad shape as I have nothing to depend on except what I earn. Would you please extend my time until Jan. 1st 1904. I have a frame shack 12'x16' and am having about five acres more broken, part of which is done, and the rest will be finished in a few days. I filed on the place in May 1902. It is Section 32, township 52 range 21 west of 4th meridian the North west quarter.

Sir,

Referring to our letter of the 4th instant, addressed to the Honorable Richard Harcourt, and by him transferred to this department, I beg to say that in order that it may be determined what has been done in the way of homestead duties upon the S. W. ¼ of Section 32, Township 52, Range 21, West Fourth Meridian, you had better fill up and return here the enclosed blank form, and you will then be advised what remains to be undertaken on behalf of the legal representatives in order to effect a compliance with the requirements of the Act. I may explain that, under the practice of the Department, when a settler dies without completing his duties, the legal representatives may appoint one of their number or someone on their behalf to do what is required, after which, proof being submitted that the full residence and cultivation have been performed, a patent is issued to the administrator or devisee under the ~~law~~ will

With regard to obtaining Letters of Administration I may say that this is a matter which you should perhaps refer to a lawyer, as, if as represented by you, your father obtained such letters in connection with his policy of insurance, it may not be necessary to do anything more, but, of course, it would have to be filed here.

On the 6th July last Mr. Clark Patlbun made homestead entry for the S. E. 1/4 of 30 - 16 - 28, West of the 4th, paying therefor the sum of $15.00 in entry fees. He now discovers that he is on the N. E. 1/4 and has a number of improvements made. Mr. Patlbun at the time he made entry stated that he was not sure about the quarter section; that he could not find the corner mounds, and that he was unable to find any one who could assist him in doing so. I informed him that if he found that he was on the wrong quarter section, I would help him to obtain an interchange without fresh fees. I, therefore, recommend that he be allowed an interchange without any further cost to him, as the N. E. 1/4 appears to be vacant and available.

Dear Sir Eagleson

You will be surprised to hear from me - I know - but the enclosed will tell you why I am writing you.

There is a friend of mine a Mr S. Kellett in Red Deer River Alberta who took up a Section of land to homestead in 91 - it is the South East ¼ of Sec 30 Township 16 Range 28 West of the 4th M.

He left Canada to let them have it - for 3 yrs per use - to perform homestead duties on it.

With this understanding he paid down $200.00 to the Dept.

He has never done homestead duties work or improvements on it.

Circumstances at present he cannot perform any of the above duties called for by the Dept - but

would be willing to buy the ¼ Section at any reasonable price named by the Dept.

78950

What we want to know is, what time it can be retained by him or in the event of his leaving the land how he also forfeit the $ & C.

You will find a letter on file in the Dept - giving the time of the sale, written him on Jan 13th 1907 also one stating the sale of the land on April 1st 1907.

Would be pleased, and duly indebted to you, if you would give me your official opinion on the matter.

Should you be unable to do this for me officially, please put it in such a manner - that may serve as a satisfaction - to the case.

Am glad to be able to say, my health continues good, and am working every day.

Kindly remember me to the Family when you see him.

Thanking you in anticipation, I

hoping for an early reply.

1604432

Red Deer
June 23rd 1908

To the Secretary of Interior
Ottawa

Regarding S.W. ¼ Sec 4 Twp 38 R 28

Dear Sir.

Today Mr Robert Fortack came to me and wanted me to testify that Mr A.M. Johnson has not done his required homestead duties on his homestead entry No 16044 and that Mr Fortack has been living on the quarter only three days a week (as per Mr Fortack's statement) for the last three years, but I went with him to-day that he has not been living on it the first five years before Mr Fortack came to this country.

I came here eight years ago and took up my pre-emption and my tree claim filed on by Mr Johnson homestead and paid out the fees, entry and patent to same. And I have every privilege Mr Johnson to go on his homestead and live on and work on it but he always told me that I can look after myself as he could prove up any time without living or working on it

(And that Mr Johnson came to me and wanted me to go into Red Deer and prove up his homestead for him but I told him to do so as I could not swear to his statements. And I know he asked quite a few that he got to do this but they all said no. but I suppose he did get some one to do so as that will be should not be included in a homestead in such cases as he was willing to do all he can for the country.

Yours truly
(Sgd.) Eggo

Memoraddum.

I beg to refer you to my memorandum of the 7th January last, respecting Mr. R. B. Clarkson's claim to the W. ½ of 21--6--1, W. 5th, and to your instructions endorsed thereon, directing that a report be procured from the homestead inspector.

The Agent at Lethbridge now submits a report from Mr. Homestead Inspector Stuart as to Mr. Clarkson's residence on this land, in which report Mr. Stuart states that he did not find Mr. Clarkson at home, but that he is living on the S. W. ¼ of the section, most of which quarter is south of the south fork of Old Man's river. Also:- "the "N. W. ¼ and the fraction of the S. W. ¼ on which he lives "is north of the river. He has improvements on the place "to the value of about $1000; has resided there continually "since the spring of 1891. He is a good settler, and I think "should be given his entry. I cannot ascertain why the "surveyor omitted to mention Clarkson's residence in his "returns.

19th January, 1918.

Sir,-

I beg to refer you to the Departmental letters sent you on the 11th April and 22nd April, 1916, calling for an Inspector's report on certain lands which were reserved for the Lake McGregor Reservoir and which were no longer required for such purpose. It is assumed that careful note was made in your records that all such land is withheld from settlement pending further instructions from the Department.

It has been decided to set this land aside for returned soldiers, to be disposed of when the Soldier Settlement Board is terminated.

A complete list of these lands is contained in the Encl. schedule enclosed herewith. This schedule shows all the quarter sections affected. In the first column is shown the area required for reservoir purposes and in the second column is shown the area which has been released from reservation and is now available for disposition by the Department.

You should now make a careful note in your records that the parcels of land in the second column of the attached schedule are to be withheld from settlement for the Returned Soldiers' Settlement Scheme. Please report standing.

Mr. Samuel McCord has protested against the entry which was granted for the west half of the west half of Section 17, Township 16, Range 21, west 4th Meridian, to Mr. Robert Rose, claiming that he is unable to carry on his farming operations on his soldier grant entry for the west half of the west half of this section. He states that his son is eligible to make homestead entry.

We are being communicated with by even date and advised that the South West quarter of Section 20, Township 17, Range 20, West 4th Meridian, appears to be vacant and available for entry in the Department and if his son wishes to obtain entry for this land he may apply for entry under the regulations.

With regard to the balance of the lands above mentioned, you might make a note in your records that if for any reason cancellation of any of the entries covering these lands is carried out and there is no prior applicant you should refer to the Department for instructions before disposing of the land in order that if the claim of Mr. McCord's son to homestead entry was not been satisfied he may be advised as to the date on which the land would become available for settlement.

In connection with the East half of Section 4, Township 17, Range 21, West 4th Meridian, which is reserved for public grazing, you might place the matter in the hands of a Homestead Inspector in order that he might make a further investigation and submit a report as to the needs of the

-- Mr. Harvie --

Frl. N.E. ¼ of Sec. 30-1-22-W.4th Mer.
South of the river. 17.7 acres.
Time Sale 11001.

A sale of the above described land to William O. Miller was authorized on a memorandum dated the 23rd of April, 1920, at the rate of $6.00 per acre. Payment of the first instalment amounting to $26.00 only has been paid, leaving a balance of principal due amounting to $64.40 and accrued interest from the 31st of May, 1920. Inspector Wilcox visited this land with a view to collecting the arrears. His report reads as follows:

"Mr. Miller has sold out all of his interests here and moved to Oregon about three years ago. I would suggest that the sale be cancelled as he is not going to return to Canada."

In view of the Inspector's report I beg to recommend that the sale be cancelled and the area be made available for other disposition.

Sir,

I beg to acknowledge your letter of the 28th October last, file No. 7994, together with a report from Inspector Wilcox wherein he recommends that the sale of the N.E. ¼ of Section 30, Township 1, Range 22, West of the 4th Meridian, lying South of the river on area of 13.40 acres, to William O. Miller be rescinded.

It seems from the report furnished by the Inspector that Mr. Miller has sold out all his interests and has taken up residence in the State of Oregon and under the circumstances it has been decided to follow the recommendation.

I attach for your information a copy of the communication that has been sent departmentally to Mr. Miller wherein he is informed of the cancellation of the sale.

In view of the small area involved it will not be necessary for you to post the land and applications for the property may receive the usual consideration.

N.W.¼ of 2-16-2-W. 5th Mer.

I am in receipt of your application for patent for the above land, wherein you claimed the required residence, but cultivation two years only, and in reply to say that the Dominion Lands Act calls for cultivation of the land in three years and there is nothing in said Act that will permit the Department accepting two years cultivation.

In view, however, of the fact that you enlisted for active service, it will be, apparently, satisfactory to the Department if you could arrange to have someone put not less than twenty acres in crop next season and then execute a Statutory Declaration corroborated by two witnesses setting forth the fact that this cropping has been done.

Sir,

I beg to acknowledge the receipt of your letter of the 22nd instant, file No. 21470, and in reply am to say that since the receipt of the Sub-Agent in forwarding the application of Mr. Gilchrist to enter for the W. ½ of 16, 7, 2, West 5th has resulted in a very serious disappointment for that settler. There is apparently no way of cancelling the existing entry unless Mr. Philip Dickson is willing, under the circumstances, to relinquish in favour of his fee transferred to other land or refunded. You will be good enough to communicate with Mr. Dickson and endeavour to arrive at a satisfactory settlement.

Copy for the A. T. L. at Lethbridge, Alta.

Sir,

Referring to the N.W.T. or 18, 7, 2, West 4th M.,

I am to inform you that your application for this quarter section was sent to the Sub-Agent at Macleod. The Dominion Lands are only authorized to receive applications for entry and cannot guarantee that the entry will be granted. You will see on referring to the result created by the Sub-Agent that it distinctly states, the entry will be granted if the land is available. It seems the Sub-Agent owing to pressure of work unfortunately overlooked your application but it did not reach the local Agent at Lethbridge, until the 31st October. Meantime an entry for the land had been granted to Mr. Philip Dicker who caused it to be entered, on application at the Agent's office at Dunmore at 10 o'clock, by which his entry can be disturbed. It appears unwilling to relinquish the entry in your favour and therefore it is necessary for you to find some other location. The Agent at Lethbridge is quite ready to give you every facility in his power, in obtaining other land and you will be permitted to take entry for the quarter section above mentioned, with any improvements you have already made.

Your application to purchase that part of the S.E. of section 18, West of the river, containing 20 acres, will be held over until you have communicated with the Department again.

Your obedient servant,

Secretary.

James A Graham -

Dear Sir

I received a form to fill to show why my claim for the N W quarter of sec 22 township 42 Range 26 west of 4th Mer should not be cancelled on the grounds of under valued the improvements at the time I made entry for the above quarter and in reply I will say I payed all the improvements were worth and more than I would like to pay if I had to do so. There was no improvements except - acres of breaking which was done for $3. per acre I payed $21 for

564481

for the breaking and a log shed and stable partly built - the shack I fixed up so I could stay in till I get material out to build which I intend to do this winter the shack is small there was no floor windo door in it - the cracks was not chinked and it had a few poles with some dirt on them for a roof and the stable was partly built no roof the logs is rotten it would not be safe to put any thing in it - I payed $9. for the buildings I can put up better buildings of them for less money I might say I dont think it was doing me justice for the inspector to make such a report -

684481

he did without seeing the place he could go to the trouble to send out in the county and have the Lawson come in and see him but he could not look me up when I was right in town at the time also he would not drive out to see the improvements which is only 4 miles we I consider it a cinch deal and if I lose my claim on them grounds I will consider it robery in the first degree I wish you would suggest a course which I could take to convince you that I don the square thing with the department all I ask for is justice hope to hear from you as soon as possible Yours truly James A. Copy for the information of the H.O. enclosing letter.

Sir;-

Your letter of 31st ultimo received and is being forwarded to Ottawa for instructions.

Application was made to cancel your entry for the W.½ 18-49-23-w-4-m on the 12th of August last and this Office not being aware that you had gone to South Africa with the C.M.R. sent out the usual notices giving you 60 days within which to file a defence. No defence being filed the entry was cancelled on the 11th of Oct last.

However no entry has been granted to any other party and I undoubtedly you ~~may~~ will be re-instated. As perhaps you are aware, the Entries of all those going on Military duty were protected by the Department during their absence, provided a request was made to that effect by the Homesteader, also in some cases, which I think yours is one, ~~thereby~~ your time is not lost. That is, you can make application for Patent at the end of three years, the time you were in South Africa on Military duty with the C.M.R's being allowed to be included therein.

In case you do not wish to get your old homestead back, there in is no doubt the Department will allow you to take entry for other land if you so desire.

You will receive further instructions in due course. In the mean time your old homestead is being held for you.

Dear Sir

In reply to your letter of the 30th ult stating that the land was already cancelled and the Land-Guard sent to the first applicant. This reply was sent to Mr Dragon at Durham which is a long distance in the country as soon as I had received Mr Dragon's letter which I received on the 29th ult came to the Post Office and wrote his application for entry and paid the fees which Mr Dragon subsequently withdrew from the Edmonton Office against this application was made on the 15 Dec last but his money was held on one of these offices till the 24 of Dec and then returned to him stating that the said land was held by Mr Schoolcraft for his son so I went to Edmonton my self and called at the Land office to find out when Mr Schoolcraft was there and to hold this piece for this son which is not over 18 or 19 years old so the agent informed me that the Land should be open for entry on the 15th of Dec but I still I have his letter in my pocket dated 30th november stating that the land was open for entry I do not like to assume anyone of being bigoted but it seems to me there is someting wrong either one or the other offices which requires investigation

RECEIVED

Secretary, Dept. of the Interior,

O T T A W A, O N T.

Dear Sir:-

I refer again to your letter of May 11th. John D. McKinnon had no claim whatever on the N.W. 1-4 of 16 - 46 - 20 W. of the 4th M.

The improvements to which you referred in addressing you were made after the location of the half-breed scrip for me. However, he was quite willing for a consideration of $15.00 to assign to me his interest in the improvements. His abandonment of the claim I hereto attach. The patent, as you are doubtless aware, was ~~this to~~ issue to me.

Yours truly,

Enclosure.

Mr. Bayley visited this tent on the 21st May, 1901, and reported it unoccupied and unimproved. He recommended its withdrawal from the stock watering reserve. (Report 444).

On the 1st October, 1901, permission was given to A. E. Parkner to homestead the westerly 8 chains of the North West quarter and the Westerly 8 chains of the South West quarter lying East of the river, containing fully 160 acres, and to Wm. Gallagher to homestead the North East quarter except the westerly 8 chains and the South East quarter North of the River containing the westerly 8 chains containing 144 acres. Entry was apparently not completed by Parkner and he has not responded to a circular sent to him.

Mr. Gallagher of Carlsbad has submitted payment for his homestead the same that 8 chains of the reserve which he has occupied by a fence and he is homestead or sold to him.

On the 26th May, 1901, Thos. F. Upton wrote stating that his son had homestead the North East quarter and asking that he be given the 16 chains formerly reserved. On the 31st May, 1901, however, application was made by A. E. Blackburn for an inspection of this land with a view to the cancellation of Upton's entry.

No civil under the representations has been proved and the land should therefore be sold by public competition at an upset price of $3.00 per acre.

MEMORANDUM:-

I beg to return Ref. 14473. A request is made for a copy of the Acts of 1883 and 1886 and also all regulations made in respect to the entry for a homestead duty.

I am not aware of there being in the Department any spare copies of the Acts referred to, but such Acts may, of course, be found in the Dominion statutes. The regulations respecting the reservation of mines and minerals are covered by the Orders in Council of the 31st October, 1887, and the 17th September, 1889, printed copies of which are attached hereto.

It will be observed that in the Order in Council first mentioned, it is stated that the then Minister of Justice, (Sir John Thompson) concurred in the recommendation made therein, except in the case of patents for lands which had already been sold or disposed of. The Order in Council of the 17th September, 1889, came into force on the 11th January, 1890, and all patents which have been issued since the latter date and the date of the previous Order in Council of the 31st October, 1887, for the territory covered thereby, for lands which were disposed of subsequent to these dates, reserved the mines and minerals, that is to say, for lands

Encl.

Deputy Minister of the Interior.

East of the Third Meridian from and after the 11th January, 1890, and for lands West of the Third Meridian from and after the 31st October, 1887.

Section 139 of the Dominion Lands Act of 1908, referred to by your correspondents, reads as follows :-

"Lands containing coal or other minerals, including lands in the Rocky Mountains Park, shall not be subject to the provisions of this Act respecting sale or homestead entry, but the Governor in Council may, from time to time, make regulations for the working and development of mines on such lands and for the sale, leasing, licensing or other disposal thereof."

The section just quoted is practically the same in effect as Section 47 of the Dominion Lands Act, 1908, Chap. 54, which reads as follows :-

"Lands containing coal or other minerals, whether in surveyed or unsurveyed territory, shall not be subject to the provisions of this Act respecting sale or homestead entry, but shall be disposed of in such manner and on such terms and conditions as are, from time to time, fixed by the Governor in Council, by regulations made in that behalf."

In my opinion the view which the Department must take in all these cases is that the mines and minerals were properly reserved to the Crown. Were this contention to be upset the most serious complications would arise as thousands of patents have been issued under the authority of the regulations above referred to involving many millions of acres of land, and no doubt in a great many of these cases the mineral rights so reserved to the Crown have since been disposed of under the provisions of the mining regulations.

The particular case referred to by your correspondents appears to be that of Alexander McQueen Weir, who made homestead entry

entry for part of the S.E.¼ section 18, township 18, range 3, West of the 5th Meridian, East and South of High River, on the the 9th July, 1900, a copy of whose application for entry is attached hereto in case it is decided to comply with the request of your correspondents who ask to be furnished with a copy thereof.

In this connection I beg to call your attention to the fact that the Department of Justice recently submitted to this Department a petition of right, which is now under consideration, respecting the land entered for and patented to the said Alexander McQueen Weir which had been filed by Mr. J. F. Smellie, Barrister of this City, Counsel for Edwin C. Clow and Mr. Weir, and in which it is set forth, amongst other things, that the regulations of the 17th September, 1889, or any other regulations of the Governor in Council reserving mines and minerals in respect to homestead lands entered for prior to the coming into force of the Dominion Lands Act of 1908 are and were unlawful, ultra vires and void and that the reservation of mines and minerals thereunder are also unlawful, ultra vires, and void ; and that further had such regulations been regularly passed they could only include such minerals as the Dominion Lands Act of 1886 refers to and that according to the true interpretation of the said Act petroleum and natural gas are not within the meaning of the terms mentioned.

In this connection I beg to quote the three following paragraphs from the said petition of right :-

(4)

"(4) On the day of November, A.D. 1913, by instrument in writing, the said Weir transferred or quit claimed to his co-petitioner Clow, all his interest in the petroleum and natural gas in and under the said lands with right of ingress and egress thereon, reserving to him the said Weir, the right to one-tenth of all profits to be derived from the discovery of petroleum or natural gas thereon.

"(5) According to the true interpretation of the said The Dominion Lands Act, Chapter 54, revised Statutes of Canada, 1886, and of clause 90 thereof, defining the powers of the Governor in Council, your petitioners say that the said Governor in Council had no power to pass the said section 5 of the regulations of 1889 above mentioned, nor to make the reservation of mines and minerals thereunder, the exercise of the said power being ultra vires of the Governor in Council under the said Dominion Lands Act, 1886, and in contravention both of the policy and true interpretation of the said Act."

"(6) Your petitioners further say that the powers of the said Governor in Council under the said Act were purely administrative and not legislative, and to make orders to carry out the provisions of the said Act according to their true intent or to meet cases for which no provision is made in the said Act, and that the effect of the regulations of September, 1889, or of the said Section 5 thereof, is legislative and not to carry out the provisions of the said Act but subversive of the policy of the said Act and contrary to its express enactment and repugnant to the express provisions of the said Act."

Respectfully submitted,

Controller.

East of the Third Meridian from and after the 11th January, 1890, and for lands West of the Third Meridian from and after the 31st October, 1887.

Section 139 of the Dominion Lands Act of 1908, referred to by your correspondents, reads as follows :-

"Lands containing coal or other minerals, including lands in the Rocky Mountains Park, shall not be subject to the privileges of this Act respecting sale or homestead entry, but the Governor in Council may, from time to time, make regulations for the working and development of mines on such lands and for the sale, leasing, licensing or other disposal thereof."

The section just quoted is practically the same in effect as Section 37 of the Dominion Lands Act, 1886, Chap. 54, which reads as follows :-

Sec. **6**. In case it is proved to the satisfaction of the Minister of the Interior that a settler has made any false statement in the affidavit in support of his application for entry, his right to the land shall be forfeited and his entry therefor shall be cancelled.

Sec. **7**. The Minister of the Interior may make a free grant of land, not exceeding 40 acres in area, to any religious denomination in Manitoba or the North-West Territories applying therefor in connection with any of their mission stations, provided the land which is the subject of the application is at the disposal of the Government, and is not within any townsite or other reserve.

LEASES OF GRAZING LANDS

Sec. **11.** Leases of grazing lands in Manitoba and the North-West Territories, and within the railway belt in the Province of British Columbia, may be granted only after public competition, except in the case of an actual settler, to whom may be leased, without public competition, a tract of land not to exceed four sections in area and to be at the discretion of the settler's resident. Leases shall be for a period of not exceeding twenty-one years, and no single lease shall cover a greater area than 100,000 acres.

Sec. **12.** Parties tendering will be required to state the sum per acre which they will pay in addition to the ground rent, and each tender must be forwarded in a sealed envelope and be accompanied by an accepted cheque for the amount of such bonus, payable to the order of the Deputy of the Minister of the Interior. No tender by telegraph will be accepted. The lease will be awarded to the party offering the highest bonus therefor.

Sec. **13.** In surveyed territory, the land embraced by the lease shall be described in townships and sections. In unsurveyed territory, if required by the Minister of the Interior the party to whom the lease may be promised shall, before the issue of the lease, cause a survey of the tract to be made at his own expense, by a Dominion Land Surveyor, under instructions from the Surveyor General, and the plan and field notes of such survey shall be deposited on record in the Department of the Interior.

Sec. **14.** *a.* The lessee shall pay an annual rental at the rate of $20.00 for every 1,000 acres covered by his lease, and shall within each of the three years from the date of the Order in Council granting the lease place upon the tract of land leased not less than one-third of the whole amount of the stock which is required to be placed upon the said tract, namely, one head of cattle for every twenty acres of land covered by the lease, but not to exceed that number, and shall during the rest of the term maintain cattle thereon in that proportion.

b. And he shall from time to time as required by the Minister of the Interior, furnish returns of the amount of stock owned by him.

Sec. **15.** After placing the prescribed number of cattle upon the tract leased, the lessee may purchase a reasonable area of land within his leasehold for a home farm and corral, paying therefor at the price per acre in cash obtaining in the class in which the lands so purchased may be situated. This shall not effect the rights of lessees acquired prior to the date hereof, to purchase the said home farm and corral at a less price per acre.

SEC. **16.** The whole or any part of any lands authorized to be leased subsequently to the 12th day of January, 1886, unless otherwise provided in any lease thereof, shall be open to homestead and pre-emption entry, or to be purchased from the Government at the price obtaining in the class in which the lands are situate, upon application being made therefor, and as entries are granted, or purchases are effected, the lease shall become void in respect of the land so entered or purchased.

SEC. **17.** A lessee of grazing lands shall not be permitted to homestead lands within any tract leased to another for grazing purposes.

SEC. **18.** Failure to fulfil any of the conditions of his lease shall subject the lessee to the forfeiture thereof.

SEC. **19.** Whether he be a lessee or not a lessee, no person shall be allowed to place sheep upon Dominion lands in Manitoba and the Northwest Territories without permission in writing being first had and obtained from the Minister of the Interior. No person shall be allowed to graze stock of any kind on the public domain without the consent of the Minister of the Interior being first obtained. The grazing of stock will render them liable to seizure and forfeiture by the owner.

FORM OF LEASE OF GRAZING LANDS.

SEC. **20.** The following is the form of lease to be used in respect of grazing lands:

THIS INDENTURE, made in duplicate this day of

in the year of our Lord one thousand eight hundred and

BETWEEN Her Majesty Queen Victoria, represented herein by the Honourable the Minister of the Interior of Canada, of the first part, and hereinafter called the lessee, of the second part.

WHEREAS the lands hereinafter described are "Dominion Lands" within the meaning of the "Dominion Lands Act;"

And whereas the said Act provides, among other things, as follows:—"The Governor in Council may, from time to time, grant leases of unoccupied Dominion Lands for grazing purposes to any person or persons for such term of years, and at such rent in each case as may be deemed expedient, and every such lease shall contain a condition by which the Governor in Council may authorize the Minister of the Interior, at any time during the term of the lease, to give the lessee notice of cancellation thereof; and at the end of two years from the service of such notice, such lease shall cease and determine."

And whereas the said Lessee alleging that such lands are unoccupied, has applied for a lease thereof for grazing purposes;

And whereas the Governor in Council has granted such application upon the conditions herein contained;

Now therefore this indenture witnesseth, that in consideration of, and subject to, the rents, stipulations, provisos and conditions hereinafter reserved and contained, Her Majesty doth hereby demise and lease unto the lessee, all and singular the following lands and premises, viz.:

Ottawa 7th April, 1915.

MEMORANDUM:-

Re Petition of Right of Edwin C. Clow and Alexander McQueen Weir, of Calgary, with respect to the mines and minerals in the S.E.¼ 18-18-3 West 5th Meridian in the Province of Alberta.

By letter of the 21th January last the Deputy Minister of Justice referred to this Department a petition of right, submitted by Mr. J. F. Smellie, Barrister, of this City, Counsel for Edwin C. Clow and Alexander McQueen Weir, respecting the above described land, entered for and patented as a homestead to the said Alexander McQueen Weir, in which petition it is stated, among other things, that the regulations of the 17th September, 1914, or any other regulations of the Governor in Council reserving mines and minerals in respect to homestead lands entered for prior to the coming into force of the Dominion Lands Act of 1908 are and were unlawful, ultra vires and void and that the reservation of mines and minerals therein are also unlawful, ultra vires, and void; and that further that such regulations even regularly passed they could only include such minerals as the Dominion Lands Act of 1908 refers to and that according to the true interpretation of the said Act petroleum and natural gas are not within the meaning of the terms mentioned.

The Deputy Minister of Justice in transmitting the petition of right in question requested to be furnished, for the information of the Minister of Justice, with a short statement of the facts of the case, together with such information and papers relating to the claim set forth in the petition of right as will enable the Minister of Justice to decide whether or not he should recommend the granting of a fiat upon the petition.

The facts of the case, briefly stated, are as follows :-

Mr.

W.W.Cory, Esl., C.M.G.,
Deputy Minister of the Interior.

Mr. Alexander Mc ueen Weir entered as a homestead on the 9th July,1900,under the provisions of sub-clause 1 of Clause 38 of the Dominion Lands Act, for part of the S.E.¼ of 18--18--3,West 5th Meridian,and in October,1903, East of the River, in accordance with his request,the portion of the said quarter section lying West of the River was added to his entry.

In October,1904,Mr. Weir applied for the issue of his patent and submitted in support thereof the usual evidence that the settlement duties had been complied with. Such application was accepted as sufficient by the Commissioner of Dominion Lands on the 18th November,1904,and the patent for the said quarter section was issued in his name on the 30th March,1905,on the ordinary form of patent, reserving to the Crown the mines and minerals,and until the filing of the petition of right,above referred to, no objection would appear to have ever been made to the Government either by the grantee or on his behalf to the mines and minerals having been reserved to the Crown in the land in question.

Copies of the application for entry,of the application for patent and of the letters patent above referred to are attached hereto.

The regulations reserving mines and minerals are covered by the Orders in Council of the 31st October,1887 and the 17th September,1889,printed copies of which are also attached hereto.

Your attention is called to the fact that in the Order in Council first mentioned,it is stated that the then Minister of Justice (Sir John Thompson),concurred in the recommendation made therein,except in the case of patents for lands which had already been sold or disposed of. The Order in Council of the 17th September,1889, came into force on the

11th

-11th January,1890; and all patents which have been issued since the latter date and the date of the previous Order in Council of the 31st October,1887, for lands within the territory covered thereby which were disposed of subsequent to these dates,reserved the mines and minerals to the Crown, that is to say, for lands east of the 3rd Meridian from and after the 11th January,1890, and for lands West of the 3rd Meridian, from and after the 31st October,1887.

In the case under consideration the land is situated West of the 3rd Meridian and having been entered for subsequent to the 31st October,1887, the entry having been made,as already stated,on the 9th July,1900,nearly thirteen years after the passing of the regulations of the 31st October,1887, the mines and minerals were,therefore,properly reserved in the letters patent to Mr. Weir.

In my opinion,the view which the Department must take in all these cases is that the mines and minerals were properly reserved to the Crown. Were this contention to be upset at this late date the most serious complications would arise as thousands of patents,issued under the authority of the regulations above referred to,which involve many millions of acres of land,and in a great many of these cases the mineral rights so reserved to the Crown have since been disposed of or leased under the provisions of the mining regulations.

I may add that I have been informed by the Controller of the Mining Lands Branch that it has always been the contention of the Department,based on expert advice, that the reservation in the patents of the mines and minerals also included the petroleum and natural gas rights.

Your attention is also called to the letter ,attached to this file, to the Minister of the Interior,dated the 15th

February

F ruary last from Messrs.Peacock, Skene & Skene, Barristers,
f Calgary,which has apparently reference to this case,and in
which they asked to be furnished with copies of the regulations
especting the reservation of mines and minerals in homestead
grants. This letter was submitted to the Deputy Minister
of Justice on the 2nd ultimo for advice as to whether their
equest might be complied with,and the Deputy Minister of
Justice having expressed the opinion that there was no
objection to the Department doing so,the applicants were
accordingly furnished with copies of the regulations above
referred to of the 31st October ,1907 and of the 17th September
1909.

Respectfully submitted,

Controller.

Ottawa 9th April, 1915.

Sir,

With reference to your letters of the 6th January last and the 7th ultimo, C. 495, respecting the Petition of Right of Edwin C. Clov and Alex. McQueen Weir, of Calgary, submitted by their Counsel, Mr. J. F. Smellie, Barrister, of this City, with respect to the mines and minerals in the S.E.¼ of section 18, township 18, range 3, west 5th Meridian, in the Province of Alberta, and in compliance with your request, File No. 508733, of this Department, containing all the papers of record here relating to the land in question, is sent to you herewith.

Encs.

Among other papers the following documents are attached to the said file :-

(1) My memorandum of the 7th April, 1915, to the Deputy Minister, in which the full particulars of the case are set forth :

(2) Order in Council of the 31st October, 1877:

(3) Order in Council of the 17th September, 1879:

(4) Copy of Application for homestead entry of Alex. McQueen Weir:

(5) Copy of application for patent of Alex. McQueen Weir:

(6) Copy of letters patent to Alex. McQueen Weir.

As pointed out in the third paragraph on page 3 of my memorandum, to which I refer you, of the 7th instant, to the Deputy Minister, in my opinion the position which this Department must take in this and all similar cases is that the mines and minerals

E. L. Newcombe, Esq., C.M.G., K.C.,
Deputy Minister of Justice,

were properly reserved to the Crown. Were this contention to be upset at this late date, the most serious complications would arise as thousands of patents have been issued under the authority of the regulations above referred to, involving many millions of acres of land, and in a great many of these cases the mineral rights, which were reserved to the Crown in such patents, have since been disposed of outright or leased under the provisions of the mining regulations; and it has also always been the contention of the Department that the reservation of the mines and minerals also included petroleum and natural gas rights.

Sir,

Your obedient servant,

N.O. Côté

Controller.

Clay v. The King.

Dear Sir,-

In June 1912 we received instructions from you to defend this action and all necessary steps were taken and the defence prepared and filed and the action was ready for trial for some time. The suppliants however did not immediately proceed with the action and after a considerable delay it developed that the suppliants were not possessed of a position to prove title to the property involved in the action. The solicitors for the suppliants gave efforts to have consents made to the petition of right which would remedy the defect but after further delay they apparently found it impossible to have the proper transfers so that the suppliants would have the title to the land.

In September last after giving the suppliants every reasonable opportunity to proceed with their action we took out a summons to have the action dismissed. This application was postponed from time to time at the request of the suppliants in the hope that they would be in a position to proceed with the action. They failed to do so and intimated in writing through their agent here that they would not oppose the application to dismiss the action. We therefore obtained an order to dismiss the action and the action is now dismissed.

We made all preparations in the early stages of the action after it was at issue to be ready for the trial and had a proper brief prepared and investigations made at the proper Departments in regard to the evidence necessary respecting the important question in the suit namely whether natural gas was a mineral under the sections

4018693

of the [illegible] relating to the Riverdale. It was also discovered that the Orders in Council relating to the questions had not been published in the Gazette as required but we were prepared to meet that position under the statute 57 and 58 Vic. Cap. 24 which was passed for the purpose of curing such a defect as the non-publication of the Orders in Council and regulations.

We are now enclosing a copy of the Order dismissing the action together with our account for services rendered in the case. We may say that although the action did not go to trial we felt it proper to give the case a considerable amount of [illegible] and preparation as it was ready for trial and we have acted a well learned [illegible] [illegible]. Yielding and paying therefor during the first year of the said term unto His Majesty the clear yearly rent or sum of twenty-five cents of lawful money of Canada for each and every acre of land comprised within the said lands, and for each subsequent year of such term the rent or sum of fifty cents, such rent being payable yearly in adavnce on the second day of March in each year of the said term, the first of which payments has been made on or before the execution of these presents, and also rendering and paying therefor unto His Majesty a royalty at such rate as may from time to time be prescribed by Order of the Governor General of Canada in Council on natural gas products taken out of the said lands, and also such royalty on petroleum products taken out of the said lands from and after the first day of January in the year 1930 as the regulations then and thereafter in force may prescribe, and such rent and royalty to be free and clear of and from all rates and taxes and assessments and from all manner of deduction whatsoever except as hereinafter mentioned.

PROVIDED ALWAYS that this demise is granted upon and subject to the following provisos, conditions, restrictions and stipulations, that is to say:

1. That the lessee shall and will well and truly pay or cause to be paid to the Minister at Ottawa, the rent and royalty hereby reserved, and shall and will make all returns at the times and in the manner herein or in or under the said regulations prescribed.

2. That the lessee shall and will well, truly and faithfully observe, perform and abide by all the obligations, conditions, provisos and restrictions in or under the said regulatons imposed upon lessees or upon the said lessee

3. That the lessee shall and will keep correct books of such kind and in such form as may be prescribed by the Minister, showing the quantity of petroleum and natural gas taken out of the said lands, and whenever required so to do shall submit such books to the inspection of any officer or person appointed or authorized by the Minister to examine the same for the purpose of verifying the returns made by the lessee

4. That the lessee shall and will, during the said term, make such provision for the disposal of the earth, rock, waste or refuse of the said lands that the same shall not be an inconvenience, nuisance or obstruction to any railway right of way, roadway, pass, passage, river, creek or place, or to any private, public or Crown lands, or conflict with or embarrass the operating of any other mines on the said lands, or in any manner whatsoever occasion any private or public damage, nuisance or inconvenience.

5. That the lessee shall and will, during the said term, make and deliver to the Minister or to any officer or agent appointed or instructed by him to collect, obtain or receive the same, all such true and proper information of the working and operations of any mines on the said lands (the truth and accuracy of which shall be verified by oath or solemn declaration of the lessee or his manager, agent or employee cognizant of the facts) as the Minister shall from time to time direct,

6. That the lessee shall also make proper and reasonable compensation to any railway company for any damage caused to the right of way or station grounds of the railway or other property of the company upon the said lands.

7. That the lessee shall and will permit any inspector or other person duly authorized in that behalf, with all proper or necessary assistants, at all reasonable times during the said term, quietly to enter into and upon the said lands, mines and premises, and into all buildings erected thereon, and into any part thereof, and to survey and examine the state and condition thereof, so nevertheless that in so doing no unnecessary interference is caused with the carrying on of the mining work of the lessee; and shall and will by all means in his power aid and facilitate such inspector or other person in making such entry, survey and examination.

8. That the lessee shall and will during the said term, open use and work any mines and works opened and carried on by him upon the said lands in such manner only as is usual and customary in skilful and proper mining operations of similar character when conducted by proprietors themselves on their own lands, and when working the same shall keep and preserve the said mines and works from all avoidable injury and damage, and also the roads, ways, works, erections and fixtures therein and thereon in good repair and condition, except such of the matters and things last aforesaid as shall from time to time be considered by any inspector or other person authorized by the Minister to inspect and report upon such matters and things to be unnecessary for the proper working of any such mine, but so that no casing placed in any mine shall be removed or impaired, and in such state and condition shall and will at the end or sooner determination of the said term deliver peaceable possession thereof and of the said lands to His Majesty.

9. That the lessee shall and will during the said term enclose and keep enclosed all abandoned openings or excavations made in connection with or for the purpose of mining operations on the said lands with fences or walls sufficient to prevent cattle and other animals falling thereinto, such fences or walls to be of a height and character satisfactory to the Minister or to the inspector or other person duly authorized by him as aforesaid, and to comply with any regulations or directions from time to time made or given by the Minister.

10. That no waiver on behalf of His Majesty of any breach of any or either of the provisos, conditions, restrictions and stipulations herein contained, whether negative or positive in form, shall take effect or be binding upon him, unless the same be expressed in writing under the authority of the Minister, and any waiver so expressed shall extend only to the particular breach so waived and shall not limit or affect His Majesty's rights with respect to any other or future breach.

11. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demise" or "lease" herein, or by the use of any other word or words herein, or shall otherwise arise by reason of these presents or anything therein contained.

12. That in case of default in payment of the said rent or royalty for 30 days after the same should have been paid, or in case of the breach or non-observance or non-performance on the part of the lessee of any proviso, condition, restriction or stipulation herein contained, and which ought to be observed or performed by the lessee and which has not been waived by the said Minister, the Minister may cancel these presents by written notice to the lessee, and thereupon the same and everything therein contained shall become and be absolutely null and void to all intents and purposes whatsoever, and it shall be lawful for His Majesty into and upon the said lands or any part thereof in the name of the whole to re-enter and the same to have again, repossess and enjoy, anything herein contained to the contrary notwithstanding. Provided nevertheless that in case of such cancellation and re-entry the lessee shall continue to be liable to pay and His Majesty shall have the same remedies for the recovery of any rent or royalty then due or accruing due as if these presents had not been cancelled, but remained in full force and effect.

13. That within two months from the termination of this lease from any cause, if all rent and royalty due thereunder shall have been paid, and all provisos, conditions, restrictions and stipulations hereby imposed upon the lessee shall have been duly observed and performed, the lessee may remove from the said lands all tools and machinery, buildings and erections which he may have placed thereon, but shall not remove or impair any of the casing which is necessary to the use and maintenance of the shafts or wells in any mine on the said lands or any access, matter or thing the removal of which might cause such mine to cave in or give way, and that in default of removal within such period of two months all such tools and machinery, buildings and erections shall be absolutely forfeited and shall become and be the property of His Majesty.

14. Provided that, if in consequence of inaccurate survey or of any cause whatsoever the said demised premises are found to include a portion of the petroleum and natural gas rights demised to any other person under the regulations of any Order of the Governor General in Council, the lessee whose application was first recorded in accordance with the provisions of such regulations shall have priority.

15. That if in the opinion of the Minister the said petroleum or its products or any portion thereof should at any time during this demise be required for the use of His Majesty's Canadian Navy, the Minister shall have a right of pre-emption of all crude petroleum oil or its products gotten or won under this demise for such use as aforesaid, the price to be agreed on between the Minister and the lessee or in case of difference to be fixed by the Exchequer Court of Canada.

16. And provided further and it is hereby declared that this lease is subject in all respects to the regulations of the Governor in Council, relating to petroleum, and to any regulations that may be issued in amendment of and in substitution therefor.

17. And that if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable (whether formally demanded or not), or if any covenant proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything therein contained and the estate of term shall, from the time of the giving of such notice, absolutely cease, determine and be void without re-entry or any other act or any suit or legal proceedings to be brought or taken, provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and moreover that any right of action of His Majesty against the lessee in respect of any antecedant breach of any of the said covenants, provises, stipulations or conditions, shall not thereby be prejudiced.

And that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee shall be sufficiently served on the lessee if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address. A notice sent by post shall be deemed to be given at the time when in due course of post it would be delivered at the address to which it is sent.

Where the context permits the expression "lessee" herein includes the heirs, executors, administrators and assigns of the lessee; the expression "His Majesty" includes the successors and assigns of His Majesty; and the expression "Minister" includes the successors in office of the Minister of the Interior.

IN WITNESS WHEREOF THE **ACTING** Deputy of the Minister of the Interior and the Lessee have hereunto set their hands and seals the day and year first above written.

I asked for the adjoining ½ section NE 9-7 - be known in case it may come but I am told I can not have it or lease it. I can only hope you will change your decision. I should also like to bring to your notice that all the most desireable vacancies seem to be on odd sections near here. I have three brothers and two couples all of various ages & all are anxious to get on land & should like to know how they could get these locations if they are not open to homestead.

Sir,

Having come to the North West recently and wishing to settle here, I have applied to take up a homestead or pre-emption and have even been told myself that a homestead or pre-emption had been done, i.e. no duties fulfilled, since last year at the end of five years.

I wish to speak here of the north east quarter of Section 24, Town. 57, Range 25, for which entry has been five years ago. No duties have been performed except a fence a quarter of a mile long or a little more, not worth anything when (illegible) to the costs of labour.

The proprietor of the quarter in question never lived on the said quarter, but on a quarter belonging to his father. He intends to break etc.

This gentleman responsible for me in any loss in expenses for the other, I should be very grateful to you, if you could take the trouble to tell me whether the quarter may be lost, and if or how I can take it up.

By kind attention to this information you will very much oblige

Your servant,

The Department of the Interior,

Sir,

Having come to the North West recently and wishing to settle here, I have decided to take up a homestead. I have heard it said and have even been told myself that a homestead on which nothing has been done, i.e. no duties fulfilled, can be lost at the end of five years.

I wish to speak here of the North east quarter section 21, Town. 57, Range 25, for which entry was made five years ago. No duties have been performed except a fence 9 quarter of a mile long or a little more, not worth anything unless for the fence-posts.

The proprietor of the quarter in question never lived on the said quarter, but on a quarter belonging to his mother.

No land has been broken, nor I have not heard it said that he intends to break etc.

This quarter being preferable for me in many ways in exchange for the other, I should be very grateful to you, if you would take the trouble to tell me whether this quarter may be lost, and if or how I can take it up.

By laying attention to this information you will very much oblige

Your Servant,

(Sd.) Zotique Larocque,
